I spoke briefly with an attorney yesterday regarding this and was told to submit a formal inquiry for a opinion. I am hoping to get an opinion on a job application and whether or not my employment would be a violation.

My name is Kevin Walker, and I currently hold a position at West Jefferson Medical Center (wjmc.org), in Marrero Louisiana. I have been employed here since February of 2012.

I am looking to apply to two positions at GSQN (Gulf South Quality Network - GSQN.ORG). 1 is a clinical analyst that would report to Dana Huete a local councilwoman in the city I reside in, and the other is a financial analyst position which would report to the GSQN president.

My potential conflicts are as follows

GSQN is a physician network which oversees various aspects of quality and finance for physicians from multiple hospitals one of which is East Jefferson General Hospital. My father, Robert Timothy Walker currently is on the board for the EJGH hospital and occasionally has votes which may have some effect on GSQN.

My second conflict is my Father is also the chief of police of Harahan and interacts with Dana Huete in her council position regularly through council meetings.

I would like to apply to these positions soon but would like to make sure it is not in any violation in doing so.

I have no working relationship with either my Father or Dana Huete, and have only met Dana Huete, but have no formal relationship with her in any capacity.

I can be reached at KMWALKER81@GMAIL.COM or by phone at (504) 669-6893. I can provide any further details as needed. As to the direct relationship between EJGH and GSQN my father can be contacted at

RTWALKER@COX.NET or (504) 261 7327

Thank you for your time and attention in this matter

Kevin Walker
